Medicare Advocacy

Make an informed choice.

Finding the right health care coverage can be overwhelming. Whether you are enrolling in Medicare for the first time or are reconsidering your current Medicare plan, our Medicare specialists will assist you in making an informed choice and selecting the Medicare plans that are right for you.

Your Medicare advisor will:

- Work with you to understand your specific situation, including your healthcare requirements, doctors you see, prescriptions you take and your financial situation.
- Educate you on all the Medicare plan options in your local area.
- Prepare a detailed report that outlines the plans in your area most likely to meet your needs.
- Answer any questions you have and support you during the enrollment process.
- Remain a reliable resource should your Medicare needs change in the future.

We are not affiliated with any insurance company so we can ensure that the information you receive takes all plans into consideration when focusing specifically on your needs.

Call us. Your no obligation evaluation is free.

You will not pay fees unless and until your benefits are awarded. Call us today at 800-825-7734 to discuss your case.

“The attention of your staff to detail made me happy. It is companies like yours that makes something that has been so painful a little easier to take.”
