

Why Use a Social Security Disability Advocate?

When you choose us to represent you, you get a knowledgeable, compassionate advisor to guide you every step of the way. Our service revolves around you, and your advisor:

- Helps you understand every step of the process. We educate you and communicate openly and clearly at all times.
- Makes things easier for you by completing and submitting forms, and interacting with insurance carriers, health care providers, state agencies and the Social Security Administration on your behalf.
- Keeps you informed through regular calls, emails, or letters so you know the status of your claim.
- Speeds you through the process by knowing how the system works, and how to get a favorable outcome based on your medical condition.
- Treats you with respect and leverages all of our resources to help you get the benefits you are entitled to.

"It's refreshing to be made to feel like a real person rather than just a number."

- John H. Plymouth,
Massachusetts

75% of our clients receive benefits without a hearing.

That means you will begin to receive your awards faster.
